

PLYMOUTH ARGYLE TRAVEL GUIDE 2023/24

WELCOME TO HOME PARK

Plymouth Argyle recognises the importance of, and is committed to, minimising our environmental footprint.

A key aspect of the club's environmental plan is to make travel to and from Home Park on match-days sustainable, by making public transport options as accessible as possible, and by supporting and encouraging supporters to use transport options with the lowest environmental impact.

Read on to see how you can support us with this and for all the information you need to make your travel arrangements for visiting us as sustainable and environmentally friendly as possible. Thank you for your support.

TRAVEL BY BUS

There are excellent bus links throughout the city of Plymouth to Home Park on match-days, and we encourage supporters to take advantage of these to minimise the carbon footprint of your journey, and for your ease and convenience.

Plymouth Citybus run dedicated football special services on match-days, which cover multiple routes across the city. These services drop off right outside the ground and are parked directly outside Home Park at the end of the game, providing a reliable, convenient and stress-free method of reaching us on a match-day.

The five services run from the park and ride car parks at Coypool and The George, as well as from Plympton, Plymstock and Saltash. Tickets can be purchased directly through Plymouth Citybus, via their app or on the bus on the day (though advance purchases are highly recommended to guarantee your seat). Single fares and child concessions are also available.

If driving into the city, why not consider parking at the park and ride car parks at Coypool (PL7 4TB) or The George (PL6 7HB), and take the football special bus services to reach the ground?

Plymouth Citybus services 60 and 61 stop close to Home Park on Outland Road and are recommended for those parking in the city centre.

If travelling to Plymouth by coach, Plymouth Coach Station (PL1 1HZ) is situated in the City Centre and is approximately a 30 minute walk on foot, or a 5-10 minute taxi ride.

Please refer to [Citybus timetables](#) for specific kick-off information on the following page.

Our friends at PASOTI have become official football bus sponsors and we thank them for the contribution

Timings are for matches with a kick off time of Saturday, 12.30pm and 3pm. For evening games/matches with other kick off times, the services will still run but with timings adjusted accordingly (ie a service running at 14:00 for Saturday 3pm matches would depart at 6.45pm for a 7.45pm kick off, and so on).

ACCESSIBLE TRAVEL

After a successful debut season in 2022/23, we are delighted to be working together with Access Plymouth once again in 2023/24 to run their Dial-a-Ride service.

Offering a bespoke door-to-door service for supporters with access needs, the buses provide a crucial means of helping those who may otherwise struggle to attend matches, allowing them to be conveniently picked up from their homes and returned after the game.

We are committed to providing sustainable transport options and making supporters' match-day travel arrangements as simple and straightforward as possible. This service supports both of these ambitions by providing a bespoke and convenient service for those with access requirements, while also serving to reduce traffic congestion and alleviate the need for parking at Home Park.

Pricing starts from £5 and includes the return journey from the stadium.

Bookings are now open for the 2023/24 season, and we would encourage supporters with access requirements who require support with their match-day travel arrangements to contact Access Plymouth directly on 01752 600633, or via email at: admin@accessplymouth.co.uk.

TRAVEL BY RAIL

Plymouth Railway Station lies one mile away from Home Park and there is a paved walking route (taking approx. 20 mins) that takes you through Central Park straight to the stadium.

Simply exit the station and walk down Saltash Road to the roundabout at the bottom of the hill and follow the pavement around to the right to briefly join Russell Place, before turning left up onto Holdsworth Street. Walk straight up the road and continue straight on to join the path leading into the park, and follow this until you reach the stadium.

Please note that although picturesque, a portion of the walk is up a steep hill and so we would not suggest this route for those with access or mobility issues. Instead, we recommend the number 60 service (Plymouth Citybus), which stops at the Railway Station bus stop which is directly accessible via a footbridge from the station entrance and stops on Outland Road, close to Home Park.

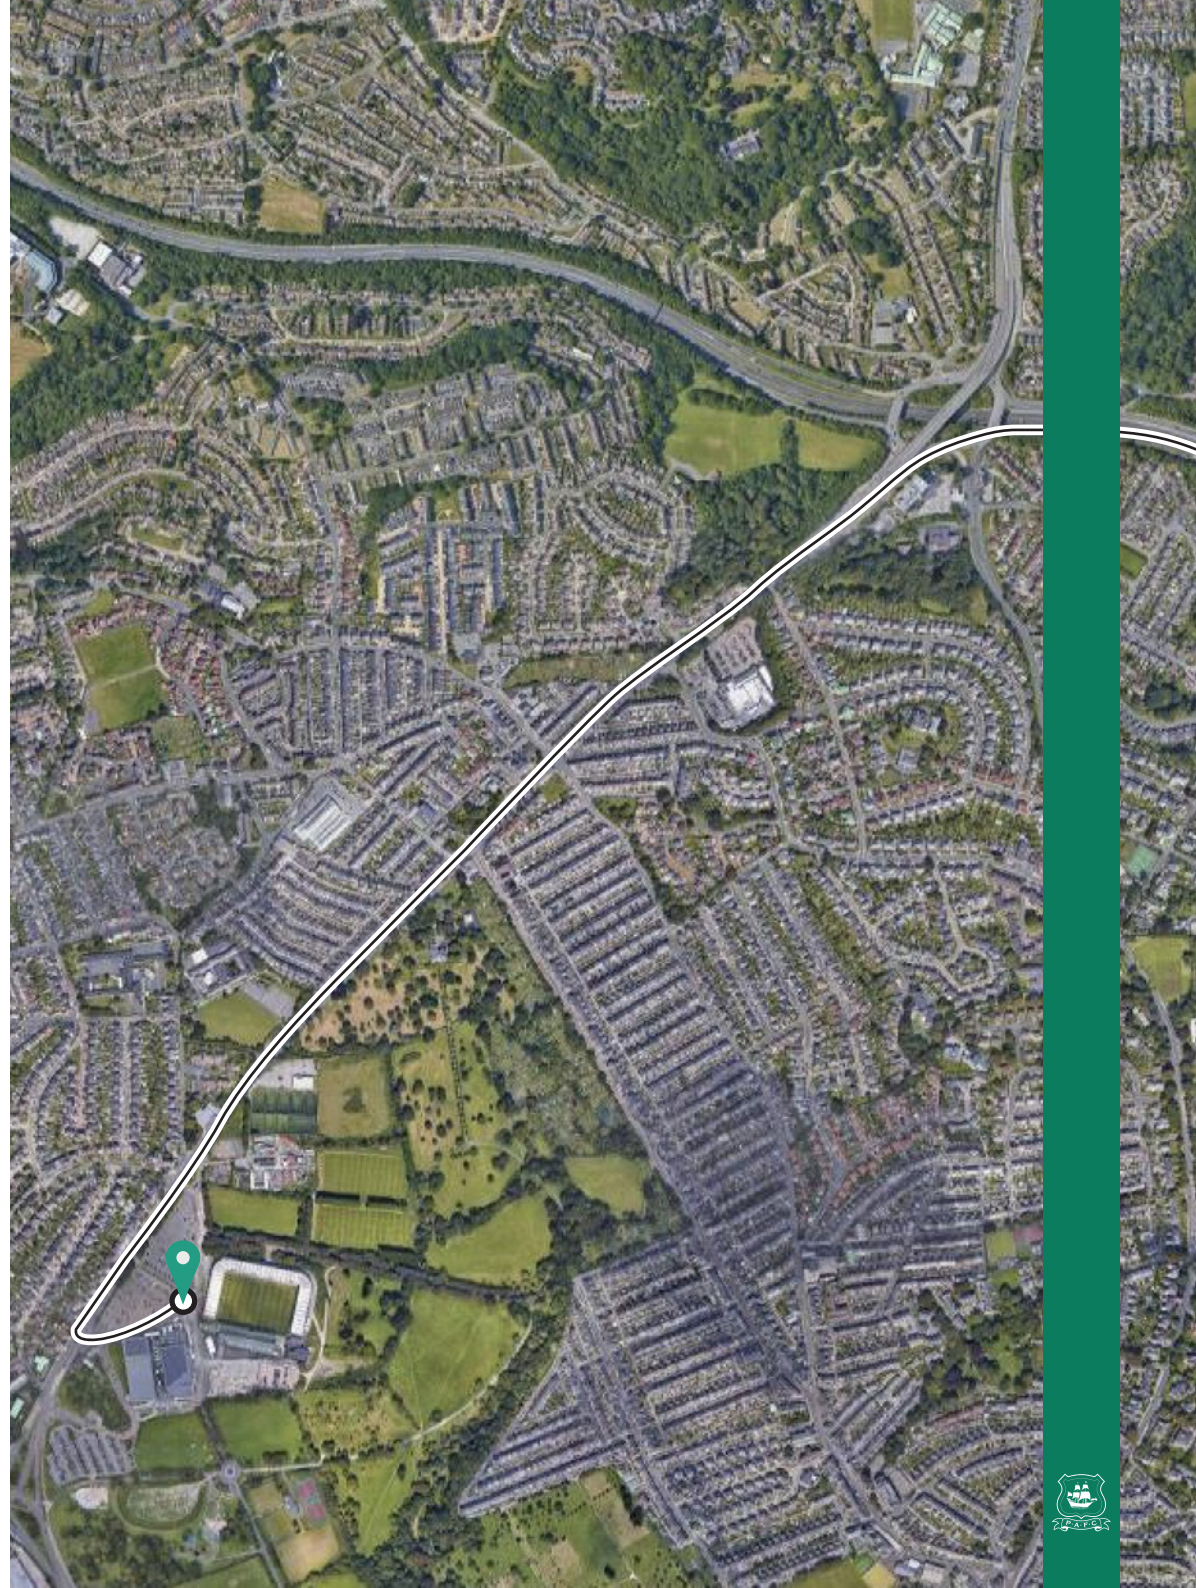

DIRECTIONS TO HOME PARK

In line with the club's values of being environmentally responsible and community focused, we are committed to reducing our Carbon footprint and the impact that match-days have on the environment. We encourage supporters, therefore, to consider using public transport to reach Home Park, or to car share where possible.

If you do need to drive, however, the stadium is situated just off the A38 and can be easily located along Outland Road.

From the east, take the A38 to Plymouth and exit at Manadon roundabout, signposted "Plymouth Argyle and Ferry Port" and A386. Take the second exit at the roundabout, following the direction of the flyover, to the left. Travel a mile on this road, and Home Park will appear on your left.

If coming from the west, head towards Plymouth on the A38, and take the junction indicated above, but take the fifth exit, to the right. For Sat-Nav purposes, the postcode of the ground is PL2 3DQ.

PARKING

The Milehouse park and ride car park, adjacent to Home Park, is a large and free car park. As it is used by those travelling into the city centre and by users of the nearby Life Centre, the car park is usually very busy and fills up extremely quickly on match-days, so very early arrival is essential to secure a space.

As this car park becomes full very early on match-days, we recommend seeking alternative parking options in the city centre and in Plymouth's other park and ride car parks.

There are several pay and display car parks in and around the city centre. The closest of these to Home Park is on Stuart Road (PL1 5LH), but there are also several others in the city centre at Western Approach (PL1 1AJ), Theatre Royal (PL1 2TR) and Drake's Circus (PL1 1EA).

Many buses operate from the nearby Royal Parade and Western Approach to Alma Road which is just a short walk from the ground.

Using park and ride services are also excellent options:

The George Park & Ride - PL6 7HB

Coypool Park Ride - PL7 4TB

Parking at these park and ride car parks is free, and there are dedicated football special bus services, provided by Plymouth Citybus, which run to and from Home Park on match-days to get you to the game. Please see the "Travel by Bus" section of this guide for full details and timetables.

We'd ask supporters to avoid residential areas and use one of the many designated parking areas outlined in this document
