Head Coach

MARIE HOURIHAN

Hi everyone, welcome to this afternoon's game against Maidstone United at Home Park.

We extend a welcome to all of the coaches, players, officials, and supporters of the Stones to Plymouth today, and we wish you all a safe trip home afterwards.

We're very excited to get our Adobe Women's FA Cup campaign under way this afternoon. After seeing the draw, and seeing we had a home tie, we were all delighted and ready to get back and playing on the unbelievable surface we have access to.

Of course, we are over the moon to be in front of the Green Army again, as well. Your support this season has been superb, and we can't wait to see you in the stands, getting behind us and

cheering us on this afternoon. We're doing everything we can to continue to perform on the pitch and excite you, as we set out at the start of the year, and was hopefully seen last weekend against Watford away from home.

Our performance against Watford was excellent, and it was down to all staff and players involved. A clean sheet, three goals, and progression into the next round of the FA Women's National League Cup – we couldn't ask for much more than that.

Now, onto this afternoon. Maidstone United are a new team for us to face, and we are excited for the challenge, but we know what needs to be done. The FA Cup is a very prestigious competition that I've been lucky enough to be successful in, whilst

in my playing career, and I want to continue that this season.

Within the women's game, it was always the FA Cup finals, for people who didn't really know a lot about Women's football, which were the reference point. We want to go as far as we can and progress through the rounds as more and more teams come into the competition.

We want to test ourselves as much as we can against as best opposition, but our priority right now is to make sure that we take care of our responsibilities and apply ourselves on Sunday, to start how we want to.

Enjoy the game, and see you soon,

Marie.

Argyle secured progression into the last 16 of the FA Women's National League Cup with a 3-0 win away to Watford last Sunday.

Olivia Francis' brace and Tianna Teisar's goal propelled the Greens to a comfortable and professional victory against the Golden Girls at the Orbital Fasteners Stadium.

Confident play was on show from Marie Hourihan's side from the get-go, with multiple chances coming in front of goal for the Greens' frontline. Watford, however, were able to block efforts from Tianna Teisar and Phoebe Poole and clear away, ending the attacking threat.

After the first 20 minutes of play, the game slowed down in terms of chances, but both sides continued to hunt for the opening goal of the game. Argyle managed to do so with one of the final kicks of the half.

Ellie Noble drove towards goal and picked out Francis at the back post to tap home, after being brought down in the area. Play restarted for around 30 seconds, with the rain pouring down, but then the whistle was blown for half-time, with the Greens leading.

Just three minutes after the restart, one became two thanks to Teisar. Roisin Kivel's cross was headed towards goal by Layla Proctor, with the midfielder's effort ricocheting off the crossbar and down to the feet of Argyle's Welsh international to tap home.

Once the celebrations were over and Watford kicked off for the third time in the tie, Argyle pushed on and found another, just three minutes later. The ball found its way to Francis on the right side of the 18-yard box, who put the tie to bed with a tidy finish across goal.

Watford had their first key chance of the game just before the hour mark, when a corner curled towards goal and required a goal-line header from Noble to clear the ball away from danger.

The Greens hunted for a fourth, but efforts from Poole and Teisar couldn't test Rebekah Dowsett in the Watford goal. Hourihan turned to her bench, bringing on Tamara Wilcock, making her debut in green since arriving at Home Park in the summer.

Wilcock's debut almost ended perfectly, with a powerful effort flying just wide of the far post and out of play for a goal kick, before the full-time whistle was blown.

The following day, Argyle learned that their opponents in the next round will be fellow tier0-three side Oxford United.

MAIDSTONE UNITED

Victories over Oxted & District Women, Richmond & Kew, and Badshot Lea have seen Maidstone United enter the first round of the Adobe Women's FA Cup for the first time this decade, setting up the tie against Argyle at Home Park.

The Stones play in the South East Counties Women's Football League, and currently find themselves in third place in the league, winning all three of their league games so far. Postponements have hampered the Kent side's season so far, but it has not changed the attitude on the pitch, it seems.

A 5-0 victory away from home against Margate in the team's first league action of the season set a positive tone, with 9-1 and 6-1 wins over Chislehurst Glebe and Tunbridge Wells Foresters following.

The 100% winning record continued through all qualifying rounds of the FA Cup, with wins over the aforementioned teams, scoring 14 goals and conceding just four.

Midfielder Kylie Manktelow is the club's top scorer in all competitions this season with eight goals, whilst Victoria Campbell, Madeline Dale and Ellie Hinkley all have found the back of the net five times each.

Tori Campbell is Maidstone's manager and has been in charge of the Kent side for over a year. After previously playing for Charlton Athletic and Ipswich Town, she was also appointed operations manager at Stones in the Community – the charity of Maidstone United Football Club.
