Consultation and Information

We have in place processes which will allow our supporters to play a significant role in the governance of the club. The club will meet EFL Regulation 128 by holding at least two fans' forums in each season to which its supporters are to be invited in order to discuss significant issues relating to the club. Details will be announced at least two weeks in advance.

We also continue to develop our relationship with sponsors, the media, Plymouth City Council and other stakeholders. We will publicise our position on major policy issues on our website, www.pafc.co.uk; through mailings; or in the matchday programme.

Ticketing

We are committed to providing value for money to the widest spectator base, through our Membership schemes; pre-match day purchase discounts; appropriate concessions; and occasional offers. Young people (anyone under 18) and senior citizens (65 years and over) will be among those entitled to a concessionary ticket price.

Away supporters in the appropriate category will enjoy the same concessions, and no away supporter will be subjected to any higher charge than that made to our fans. To improve security and safety, away supporters are required to use the area of the stadium allocated to them.

We will review ticket-pricing annually and give the earliest possible notice of any changes to our ticketing policy. Although each case will be considered on its merits, in general, refunds are only made in exceptional circumstances at the discretion of the club.

EFL regulations will be followed in the event of postponed and abandoned matches. If a match has to be postponed before kick-off, ticket-holders will be entitled to free admission to the rearranged fixture, on production of a valid ticket.

Merchandise

All replica strip designs shall have a maximum lifespan of one season. Details of the next intended change of strips will be available via the shop, official website, and matchday programme as quickly as possible.

The club carries out its obligations under EFL regulations to prevent price-fixing in relation to the sale of replica strip. The club offers refunds on merchandise in accordance with its legal obligations and on production of a valid receipt.

Stadium

The club will ensure that a safe stadium environment is provided and, in turn, ask that supporters adhere to the official ground regulations which can be found on our club website here, [PAFC | Ground Regulations](#) and displayed throughout the stadium.

Failure to comply with ground regulations may result in ejection and further action taken via the club's Standards Panel.

Stewarding and Crowd Control

We operate a fair and open stewarding policy, with spectator safety being the primary focus. Our stewards are trained up to SIA level and are briefed to ensure that supporters comply with club and EFL ground regulations. Persistent standing in seated areas is not permitted and all gangways must be kept clear at all times.

Standards Panel

The club operates a Standards Panel, consisting of members of Argyle's senior management team, which convenes to discuss significant breaches of various policies relating to supporter behaviour – whether in person, or online.

The Standards Panel serves to ensure that policies are upheld. In serious cases, the Standards Panel may decide to issue a warning, time-limited stadium ban, or permanent stadium ban for breaches of the club's policies, Code of Conduct and/or ground regulations. In all cases, the Standards Panel will communicate with the individual in question, and offer the right to reply. The panel operates on the balance of probability and any sanctions imposed are implemented on this basis.

Banning Procedure

Banning orders may be enforced after an incident has been reported to us, either directly or through the Police, and may vary in length dependent upon the nature of the incident. Each case will be dealt with on its own merits.

Examples of unacceptable behaviour leading to banning orders include, but are not limited to: use of smoke bombs or similar pyrotechnic devices, violent or abusive behaviour towards the public or club officials; drunken behaviour; racist chanting or comments; homophobic, bi-phobic, transphobic, misogynistic or otherwise discriminatory chanting or comments; and encroaching onto the playing surface. Banned supporters will have the opportunity to discuss their conduct with the club via the Standards Panel.

Banned supporters are not entitled to any refunds.

Stadium Parking

Although it is not possible to reserve parking in advance of a fixture, there is a large free car park, operated by Plymouth City Council, adjacent to the stadium. However, we do offer Match Day Bus services operating throughout the city and use Big Parking which is located near the ground.

First Aid

We provide full medical support for spectators inside Home Park.

Catering

We aim to provide variety and value for money and variety of choice in all our catering outlets and hospitality areas.

Community Activities

The club works closely with the Argyle Community Trust, and it endorses the employment of our Accessibility Officer and Accessibility Ambassador Team. The club will co-operate on joint ventures to benefit the community through local public authorities, particularly schools and colleges, business, commercial, charitable and voluntary organisations. We will endeavour to ensure management players and officials are available to support community programmes and events.

The club is committed to assisting more people to play and watch football.

Data Collection

Any personal data disclosed to the club will be collected, stored and processed securely and in accordance with applicable Data Protection legislation

Charity Partner

We will identify an official charity partner or partners at the beginning of each season and assist them in raising funds and increasing awareness of their work. Our Charitable Giving Policy can be found on our club website, [Charitable Giving Policy | Plymouth Argyle](#)

Safeguarding

We are committed to the safeguarding of both children and vulnerable adults. All staff who work closely with children and young people receive appropriate training and are DBS checked where appropriate. Nobody under the age of 14 is permitted entry into the stadium without an adult aged 18 or over accompanying them.

Our Safeguarding Policies can be found on our club website, [Safeguarding | Plymouth Argyle](#).

Corporate Social Responsibility

We are committed to achieving best practice and being a good corporate citizen. This involves, but is not limited to, adherence to industry standards and reporting frameworks.

Club Streaming Services

All footage will be dependent on the location of the fixture.

Plymouth Argyle opted out of the iFollow platform to pursue and protect our own commercial interests as well as to enhance the services and content for supporters. Instead, the club offers live video and audio streaming services, as well as a range of dedicated on-demand content, through its own platform: Argyle TV.

Argyle TV will use the in-stadium multi-camera production to give you the best view of the action, alongside our pre-match, half-time and full-time shows.

Full details on the services offered can be found here: [PAFC | Argyle TV](#)

At away fixtures, the Club will again provide a pre-match, half-time and full-time show and will use the camera set-up provided by the home club. We will still provide a dedicated Argyle TV commentary team.

Minute's Silence/Applause

The only circumstance under which a minute's silence or applause will be held is if requested by one of the game's governing bodies, such as the Football Association or EFL, or at the club's discretion if an individual who has represented the club with distinction has passed away.
